ABOUT US

Aurora Piping Products LLP was established in 2017 at Bangalore and has achieved a remarkable growth and success having its branch in Mumbai. We are a professionally managed Trading company actively engaged in the sale of high-quality products manufactured by some of the leading mills across the Globe.

We are one of the leading suppliers, importers, exporters and stockists of all range of all premium quality Pipes and tubes, in MS, CS, AS and SS both in seamless and welded. We also stock Pipe fittings & Flanges in all size grade and material. We have a warehouse in Mumbai to maintain a bulk stock to cater our client's immediate requirements and be able to supply all over the country.

It has been our endeavour to continuously strengthen our business and market position, our customer base in India includes the leading companies in the fields of Thermal Power, Nuclear Power, Oil and Gas, LNG Carriers and Pipelines, Refineries, Construction, Steel Plants, etc.

We offer quality products to our customers in identifying the right products as per their specifications and being a conduit for effective and timely delivery. With a network of offices across the country, our sales engineers can be in your offices even at short notice to further discuss your requirements..

Infrastructure

We have warehouse space of over 10000 Sq. ft in Mumbai and we stock all our products to meet the deadlines and ensure prompt deliveries to our esteemed clients. We are growing to be one of the largest steel Pipe and tube, pipe fittings & flanges traders with a pan-India presence.

At present we have office in Bangalore, Mumbai, Chennai, Pune, Delhi and our engineers will be a call away to cater the needs of our customers.

PRODUCTS

SEAMLESS PIPES

Seamless steel come in finishes such as hot rolled, cold drawn, turned, roto-rolled etc. After the end finishing, all pipe is then pressure tested on a machine.

CARBON STEEL SEAMLESS PIPE & TUBES

CARBON STEEL PIPES	ASTM A106 GR. A , B & C API 5L GR. A / B, X42 ,X52 ,X60 ASTM A 53 GR. A/B
CARBON STEEL TUBES	ASTM A-179/192 , DIN 17175/2391 BS 3059/ GR 1 OR GR 2
LOW TEMP SERVICE PIPES	ASTM A 333 GR.1/6
LOW TEMP SERVICE TUBE	ASTM A 334 GR.1/8/6
SIZE RANGE FOR PIPE	½” NB TO 24” NB & SCH 10 TO SCH XXS
SIZE RANGE FOR TUBES	6MM OD TO 220 OD & WALL THK 16 SWG TO 50.8MM

GI & MS ERW/ HFIW PIPES

Galvanized steel is a special type of steel that is zinc plated. Galvanization is primarily carried out on the surface of a steel to make it more resistance to corrosion

CARBON STEEL WELDED PIPE & TUBES

ERW PIPES [BLACK & GALVANISED]	IS-1239, ASTM A 53, API 5L
SIZE RANGE FOR PIPE	½" NB TO 24" NB & SCH 10 TO SCH XXS ½" NB TO 6" NB ,LIGHT, MEDIUM ,HEAVY CLASS

SPIRAL WELDED PIPES

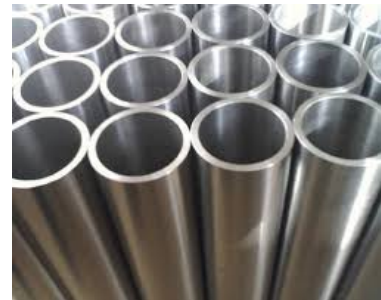

Collection of saw pipes and spiral weld pipes is offered by us. Our pipes are made with supreme quality raw material and require less maintenance.

S.A.W. PIPES	IS –3589 GR.330/410, API 5L GR. A/B. X42, X52, X60, API 2B
E.F.W. PIPE (FOR HIGH PRESSURE IN MODERATE TEMPERATURE)	ASTM A 671, ASTM A 672
SIZE RANGE FOR PIPE	"8" NB TO 130" NB & WALL THK – 4MM TO 55MM"

STAINLESS STEEL TUBES

We supply a wide range of stainless steel tubes, which are offered in various specifications to suit varied end-applications.

Stainless Steel Tubes as per 304 & 316 and other higher and lower grades

BOILER TUBES / AIR HEATER TUBES

CRCA ROUND TUBES (IS-3074) and CRCA SQUARE & RECTANGULAR SECTION (IS-4923)

ALLOY STEEL SEAMLESS PIPES

High Temperature Alloy Steel Seamless pipe as per ASTM A335 PS, P9, P11, P22, P23, P91

Alloy steel Super heater Tubes and Economizer Tubes as per SA213 T11 / T22 and various other grades.

HEAT EXCHANGER TUBES

Heat Exchanger Tubes as per the SA-179 specification in seamless and also SA-214 specification in Welded Pipe

CRCA Round Tube as per IS:3074, CRCA square and Rectangular Section as per IS:4923

We Also deal with all kinds of structural steels and plates of IS standards

FITTINGS & FLANGES

FITTINGS

BUTT-WELD FITTINGS - SEAMLESS AND WELDED (CS, SS, AS, Cu-Ni)

up to 48" NB in all schedules conforming to relevant material and dimensional specification
Long Radius and Short Radius Elbows, Equal and Unequal Tees, Concentric and Eccentric Reducers, Caps, Stub Ends and Y pieces and Crosses

FORGED FITTINGS - THREADED AND SOCKET-WELD

up to 4" NB Socket-weld fittings are manufactured in Class 3000, 6000 and 9000 and Threaded fittings in class 2000, 3000 and 6000.

PRODUCT RANGE FOR FORGED PIPE FITTINGS

SW FORGED FITTINGS

90 and 45 Degree Elbows, Tees, Crosses, Full /Half Couplings, Nipples, Caps and Unions

SCREWED FORGED FITTINGS

90 and 45 Degree Elbows, Tees, Crosses, Full /Half Couplings, Nipples, Caps and Unions.

OUTLET FITTINGS

Thredolets, Elbolets, Nippolets, Sockolets, Laterolets, Weldolets and Sweepolets

FLANGES

Slip on,
Lap joint.
Socket welding,
Weld Neck,
Blind and
Threaded
Up to 12" NB in all Material such as CS, AS, SS

WE DEAL / WE STOCK PIPES FROM FOLLOWING MILLS

Seamless Pipes & Tubes with IBR / Carbon Steel Seamless/ Alloy Steel Pipes / Tubes - A 106 Grade-B, A53 Grade-8, A335 PS / P9 / P11 / P22 / P91, SA 213 11 / T22, SA 210 Grade A 1, SA 179 Specification

IMPORTERS

China - Hengyang, Baosteel, Zhejiang / Changshu / TPCO / Pangang / Jiangsu Chengde / Yangzhou Chengde.

Italy – Tenaris

Japan - Sumitomo Metal, Kawasaki, Nippon

France - V&M

INHOUSE TESTING

Test Visual & Dimensional Check is with calibrated calliper

Thickness check is done with Ultrasonic Gauge

Hardness Test is done with portable Hardness Tester

Positive Material Identification

HYDRAULIC TESTING

Chemical & Mechanical Testing are Done Through Government Approved Laboratories.

CHEMICAL TESTING - Carbon, Sulphur, Phosphorus, Manganese, Silicon, Chromium, Nickel, Molybdenum, Copper, Vanadium, Carbon EQ. etc.

MECHANICAL TESTING - Tensile, Yield Strength, Elongation, Fracture, Macro, Flattening and Hardness Dye Penetrant Test, Radiographic Examination on welded Pipes, Ultrasonic Testing etc.

THIRD PARTY INSPECTION

Pipes are also being inspected by reputed third party inspection agency viz , Lloyds, EIL, BV, TUV- NORD, ABS, CEIL, TOYO, TUV-SUD, DNV, SGS, VELOSI, etc... before dispatch.

Major Customers

Slno	Customer Names
1	Toshiba JSW Power Systems Pvt. Ltd.
2	Isgec Hitachi Zosen Ltd.
3	Clyde Bergemann India Pvt. Ltd.
4	Airoil Flaregas Pvt Ltd
5	Oman Flange Production Factory LLC
6	Power Piping Company
7	Ribo Industries Pvt. Ltd.
8	Sakthi Hi-Tech Constructions Private Limited
9	PAL ENGINEERING CORPORATION
10	Ajantha Fabrication Works
11	Bend Joint Pvt Ltd
